

On the aftermath of typhoon ONDOY Mawela Club mobilized its members in cooperation with MAGSAYSAY family center and Homer Foundation launched their relief drive for the victims of TROPICAL STORM ONDOY.

Mawela donated worth P15,000 of urgently needed goods. Goods donated from Mawela funds are, 5 sacks of rice, boxes of noodles, biscuits and mineral water. All were packed in Magsaysay Family Center in coordination with the relief operation staff of MMC - May Pacete and Jhong Pablo.

Same day of Sept. 29 packed goods was delivered to the affected families of WLMMB crew in various places in Pasig, Tagiug, Pateros, North Fairview and somewhere else. Mawela wives and their husband volunteered to use their vehicles to deliver the relief goods in the various places mentioned. The relief operation went on through out the whole week.

Oct. 4 MAG-MOL (Magsaysay - MitsuiOSK Lines) conducted a relief operation to various typhoon affected areas. As early 6:00 am the volunteers assembled in WALTER MART in Quezon City where the relief goods are stored. Mawela Club was one of the many groups who volunteered in the relief operation.

BAYANIHAN spirit is very heartwarming seeing a lot of volunteers and the long lines of vehicles participating the relief operation. Each group was given instruction which area the relief goods is to be distributed.

The author's assignment for relief drop off area is Barangay Buli situated in Muntinlupa along the shore of Laguna lake. The houses in this community is still submerged in about 2 meters of water. The typhoon victims are mostly depending on the relief goods distributed by the government and private individuals.

Lined-up vehicles in Walter Mart loading area where relief goods are stored for loading.

Relief goods & volunteers in Walter Mart

Loading of relief goods for 100 to 120 families

Barangay Buli, Muntinlupa City.

This is the only dry area of this community. Few meters of the barangay interior is still submerged in water.

Typhoon victims rush to the open trunk of the volunteer's car bringing the relief goods.

Caution!!
Take extra safety precaution.

Foot bridge constructed for access in and out of the community interior of Bgy. Buli.

Distribution of relief goods on top of the roof of the typhoon victim's houses.

Happy faces and a word of thanks to volunteers and MOL from the typhoon victims of Bgy. Buli.

**MORE POWER & GOD
BLESS YOU ALL**
